Presentation of information				4	
Preparation and taking the exam				19	19
Total number of hours	13	20	6	39	78

Assessment of learning outcomes

Ten-point criteria-based assessment system as well as cumulative assessment using individual cumulative index (ICI) is applied. The overall grade is the sum of accuracy test, self-study of the written profession-related text, presentation of information and exam marks multiplied by weighted coefficients. $ICI = 0,2 KD + 0,2 SD + 0,1 P + 0,5 E$; where KD – accuracy test, SD – self-study of the written profession-related text, P – presentation of information, E – exam.
